Re: Northwell Health, Inc.
NorthWell Staffing Agency, LLC
Our File: 64337/177

Dear Ms. Woods:

We are trademark counsel to Northwell Health, Inc. ("Northwell"), formerly known as North Shore-Long Island Jewish Health System, Inc. ("NSLIJ"), owner of the well-known mark NORTHWELL HEALTH in connection with medical, healthcare and related services (the "NORTHWELL Mark"). Our client has been operating for over 20 years, and its vast health system includes 21 hospitals and more than 12,000 member physicians. Northwell is the largest integrated health system in New York and is also the largest private employer in New York.

Northwell owns Registration Nos. 5,014,738 and 5,005,174 for its NORTHWELL Mark with priority filing dates of July 6, 2015 (word mark) and September 22, 2015 (word and design mark). Copies of these Registrations are annexed hereto as Exhibits A and B, respectively.

Northwell has been using its NORTHWELL Mark for more than a year, and its name change to NORTHWELL HEALTH was well publicized before that, in such well known publications as *The New York Daily News*, *The Washington Times* and *Craigslist New York*.

Northwell's NORTHWELL Mark has been extensively promoted and has received widespread recognition from the trade and public. As such, the NORTHWELL Mark has gained a secondary meaning as denoting medical, healthcare and related services of excellent

quality and value stemming from Northwell, and the NORTHWELL Mark has become a business asset of significant value to Northwell.

Northwell recently learned that, well after it began using the NORTHWELL Mark, and well after the NORTHWELL Mark became well known to consumers, NorthWell Staffing Agency, LLC (“your company”), which, like our client, is located on Long Island, New York, was formed on September 12, 2016 and began operating as “NorthWell Staffing Agency” (the “Infringing Name”). It is our understanding that previously your company operated as Blessed Healthcare Staffing Agency, LLC, which was dissolved by proclamation on October 26, 2016.

Given the identical nature of the NORTHWELL element in both parties’ names, and the overlapping nature of the parties’ medical and healthcare services, use of the Infringing Name creates the false impression that the parties’ services emanate from the same source or that there is an affiliation, license or other relationship between the parties, when there is not. The likelihood of confusion is particularly strong because your company’s services are provided in the same geographic region as Northwell’s, *i.e.*, on Long Island. In addition, Northwell similarly operates a staffing agency and Northwell and your company contract with overlapping payors, both of which contribute to public confusion.

Your company’s activities constitute infringement of Northwell’s NORTHWELL Mark and false designation of origin in violation of Sections 33 and 43(a) of the Trademark Act of 1946 (15 U.S.C. §§ 1115 and 1125(a)), as well as unfair competition under New York State law. Northwell is entitled to an injunction under 15 U.S.C. § 1116, and monetary compensation in the form of damages and/or your company’s profits for services provided under the Infringing Name.

Based on the identical nature of the marks, the overlap in services, and the geographic closeness of the two companies, it appears clear that your company has acted willfully. Accordingly, in addition to the remedies discussed above, Northwell will be entitled to up to three times its actual damages and an award of its attorneys’ fees under 15 U.S.C. § 1117(a).

Your company’s use of the Infringing Name is particularly dangerous since your company has received bad reviews for allegedly not paying its nursing staff and failing to send pertinent documentation to Albany for a patient’s continuity of care. *See* reviews on <https://www.yellowpages.com/lindenhurst-ny/mip/blessed-healthcare-staffing-agency-18498951> annexed hereto as Exhibit C. Consumers and the public are likely to mistakenly believe that Northwell has committed these offenses, and its reputation will be irreparably harmed.

Indeed, a patient called Northwell to complain about the failure of your company to pay his caregiver under the mistaken belief that your company and Northwell are the same company. Our client has also received calls from managed care companies mistakenly believing that your company and Northwell are the same company. These calls from patients and managed care companies are evidence that your company’s use of the Infringing Name is causing actual confusion, and this is compelling evidence of infringement.

Ms. Veronica Woods

Accordingly, on behalf of Northwell, we demand that your company immediately cease and desist from all use of the Infringing Name, or any other name or mark which is confusingly similar to our client's NORTHWELL Mark, including, without limitation: (i) changing its name to a name that does not incorporate the NORTHWELL element or any confusingly similar element; (ii) changing all relevant signage; (iii) notifying all relevant trade directories of the name change; and (iv) assigning to our client all domain names which incorporate the NORTHWELL element, including, without limitation, northwellstaffing.com.

Unless we receive, within ten (10) days of this letter, notification from your company or its counsel that your company has ceased all infringing activities and will in the future refrain from using either the Infringing Name or any other name or mark that is confusingly similar to our client's NORTHWELL Mark, our client will be forced to take appropriate action to protect its valuable intellectual property rights.

This letter is without prejudice to any of our client's rights or remedies, all of which are expressly reserved.

Very truly yours,

AMSTER, ROTHSTEIN & EBENSTEIN LLP

Now known as northWell

I am the mother of one of their patients. They took very good care of son UNTIL they gave 2 week notice of discharge knowing fully well they DID NOT send pertinent documentation to Albany that was needed for continuity of care & transition to new nursing agency. My sons nurses are the best and devoted to my boy, which I am grateful for. This agency also seemingly was in the process of going under even though they claimed restructuring under the NorthWell name. Failure to pay nurses. Did they continue to accept payment from New York state and not pay their employees? Seems so. Shame on them! Families with loved ones in need do not need this lack of unsupportive & unprofessional behavior. FYI if they conduct their business like this in New York I would be concerned that it is this unstable in their Virginia location as well

Upon answering an ad for receptionist , posted as "urgent , help needed in the Riverhead location," , drove to Lindenhurst, filled out an application, was interviewed, told to get a series of shots at my expense.(did it) after several weeks of given the run around, no answer, as far as a second interview forthcoming, no answer. No one knows what is going on, so I spun my wheels for nothing , and had to pay for shot's I didn't need, for a job that apparently does not exist. Stay away from this company, they are dysfunctional, and a waste of time. Sincerely, Laura Bohn
